

COUNTY PAYS HONOR TO CAMP GRANT MEN

Great Celebration Marks Departure
of Big Contingent to Army
Cantonment

Portage county's latest and largest contingent of selectmen, who left early Sunday morning for Camp Grant, Ill., to be assimilated into the National Army, departed secure in the knowledge that the "home folks" are behind them.

In spite of threatening weather and bad roads, due to heavy rains, hundreds of people from the towns and villages of the county—friends and relatives of the men who received and answered in the spirit of patriotism the call to arms—came to the city Saturday by train, automobile and rig to hearten the citizen-soldiers during the last few hours in their home county. It was a notable celebration in many other ways, and one of the most stirring patriotic demonstrations in the county's history.

The selectmen assembled at the court house at 2 o'clock in the afternoon for roll call, after which they were at liberty until 5 o'clock. At the latter hour a parade formed at the court house square, those in line including Weber's band, followed by Co. M, members of the exemption board, the selectmen and a long line of school children. The procession moved up Strong's avenue to Clark street, west on Clark street to the railroad tracks, then over onto Main, east on Main to Church and south on Church to the Parish House.

At the parish house the selectmen, together with their relatives and friends, were tendered a banquet. Mothers, sweethearts, brothers, sisters, sweethearts and friends of the men had places with them, and about 300 were fed. One of the men asked for tickets for 10, and he was accommodated. Informality was the keynote of the banquet, and the spirit of friendliness abounded.

Dr. A. E. MacMillan served as toastmaster. Mayor W. F. Owen, the first speaker, gave an inspiring address, during which he laid stress upon the fact that the men about to leave for Camp Grant were not drafted men but selected men, representing the cream of America's manhood. Rev. James Blake was the other speaker of the evening, and he, too, left valuable thoughts with his audience. He impressed upon the selectmen the righteousness of the cause they were going out to defend and extended a word of congratulation to them on their opportunity for service. Selections by Miss Grace Cauley's juvenile orchestra were heartily enjoyed.

At the conclusion of the banquet, at about 7:30 o'clock, the men were dismissed. They mingled with their relatives and friends, attended the theater and danced at the armory, where they were honored guests. The Waupaca county contingent of 132 arrived in the city at 9 o'clock on a Soo line freight and marched to the business district and around the public square, escorted by Co. M. At midnight the selectmen of both counties were served with lunch at the Parish House, and at 1:30 roll call of the Portage county men was again taken at the court house, which was packed to overflowing. Led by Weber's band and followed by a crowd of many hundreds, the selectmen then marched to the Soo depot. When southbound train No. 18 arrived, bringing 33 men from Douglas county, 64 from Price county and 50 from Taylor county, lunch, provided by the local committee, was ready for them. Polk county's 57 men, Barron's 40 and Rusk's 34 arrived on No. 4, bringing the total number of recruits up to 510.

The special train, consisting of 13 coaches and a baggage car, pulled out of the station grounds at 3:45 o'clock, going by way of Portage. Several lieutenants from Camp Grant were on the train. The local contingent was in charge of the following men chosen by the exemption board: Martin W. Hilgendorf, Almond, captain; Gay G. Hetzel, Almond, captain; Carl Joseph Literski, Stevens Point, captain; Adolph J. Neuwald and John W. Held of Stevens Point, lieutenants.

AT MICHIGAN CAMP

Simon Roseth, former bookkeeper at the Citizens National bank and who enlisted in the quartermaster corps of the army last December, is now at Selfridge Field, Mt. Clemens, Mich. He is in the paymaster's department. Prior to going there he spent a month at Camp Meigs, Washington, D. C., taking special work.

PROCLAMATION

WHEREAS, Thursday, May 30th, is by law a Legal Holiday set apart for the purpose of recalling the deeds and doing honor to the memory of those who have heretofore offered their lives upon the altar of human liberty. And,

WHEREAS, the fact that we, as a nation, are now engaged in a great world's war for the purpose of defending the same principles for which our forefathers have made the supreme sacrifice, renders it especially fitting that we should at this time turn our thoughts towards the deeds of those brave men who have heretofore and now are fighting battles of human liberties.

NOW THEREFORE, I, W. F. Owen, Mayor, do hereby proclaim Thursday, May 30th, 1918, a Legal Holiday and do recommend and advise that all the people of the city of Stevens Point desist from their ordinary occupation during said day and join in the ceremonies devoted to the memory of our soldier dead, and I respectfully ask that all business places be closed during the day, and especially between the hours of one and four P. M. while the ceremonies and exercises are being held.

Dated at Stevens Point, Wisconsin, May 28th, 1918.
W. F. Owen, Mayor.

COFFER DAM BROKEN RIVER ON RAMPAGE

Water in Wisconsin River Sweeps In to Pit at Site of New Jackson Mill Project

That human hands are no match for the elements, especially when the elements are on the rampage, was strikingly illustrated at about 4 o'clock Monday afternoon, when the flood waters of the Wisconsin river broke through the coffer dam at the new dam site of the Jackson Milling Co. in this city, swept in with torrential force and completely filled the great pit inside of 10 minutes.

The break occurred at the lower end of the coffer dam, a temporary structure built to hold the river water out of a section of the channel which had been drained and deepened. It had been greatly strengthened in the spring, when the ice went out, and had withstood the test then in good shape. When the water began raising again last week, it was further strengthened, and it would have held once more had it not been for the fact that the water reached such a height that it began running over the top.

When the break came, five employees with a push car were making their way out onto the coffer dam to remove a motor stationed in a pump house on the outside wall. They were at the danger point when the flood started, and lost no time in returning to dry land. The push car was forced off the track and went to the bottom of the pit. A section of 60 or 70 feet of the coffer dam, constructed of heavy timbers, plank, rocks and sand, and 10 feet high, was swept away.

The coffer dam extends out from the shore 225 feet at its greatest width and is 600 feet long. In places it is 24 feet in depth, and everywhere 10 feet or more. Last week concrete was poured in six draft tube forms, where the water wheels will be. The concrete was put in to a depth of 12 feet in five of the six forms, and 8 or 9 feet in the farthest one, so that little damage will result to the forms as a result of the flooding of the pit.

W. E. Ule, superintendent in charge, said that the material loss would be slight. The greatest loss is because of the delay caused and the scattering of the crew, most of which was laid off. When the water has fallen two feet, Mr. Ule said, work of draining the pit will be started. Two huge pumps will be operated day and night and it will take about a week to dry the pit. All of the planks and timbers from the broken section of the dam were saved, and it will be a small job to replace them.

If the pit had been flooded three days before it was, the loss would have been heavy as the concrete forms would have been greatly damaged. As it is, Mr. Ule is thankful that a great deal more of the dam was not carried away. Up to this time the work on the dam has gone on with remarkable smoothness, but it was hardly to be expected that the project would escape entirely from the ravages of the elements.

MEN AND TEAMS WANTED

The Board of Health is desirous of securing the services of two men and two teams to begin work Monday, June 3. Apply to Dr. C. von Neupert, Sr.

TUBERCULOSIS CAUSES DEATH

Joseph Thzbny, aged 43, died at his home at 303 North avenue last Thursday, a victim of tuberculosis. He was born in Germany. Surviving are his widow and six children. The funeral was held from St. Peter's church Monday morning, interment being in St. Stephen's cemetery.

LONG ILLNESS FATAL

The death of Mrs. Joseph Bogaszewski, 334 Wadleigh street, occurred at her home last Thursday morning following an illness of many months. Mrs. Bogaszewski was 40 years of age and a native of Germany. She leaves a family. The funeral was held Saturday from St. Peter's church, with interment in St. Peter's cemetery.

MOEN MADE CAPTAIN?

Report Says Stevens Point Army Officer Is Raised in Rank On Other Side

A report that has reached Stevens Point, but has not been confirmed, is to the effect that Lieut. Russell Moen of Battery E, 120th Field Artillery, now in France, has been raised in rank to captain.

A private in Battery E, also a Stevens Point, said, in a letter to his mother, that Lieut. Moen had been promoted to a captaincy and that the men were all sorry to lose him. So far as known, the report has not come from any other source.

Lieut. Moen is a son of Mr. and Mrs. H. J. Moen of this city and was employed as city letter carrier here up to last July, when he left with Troop 1, First Wisconsin Cavalry, for Camp Douglas. He was one of the leaders in the organization of the troop in the spring of 1917 and his selection as one of the officers was a popular one. When Troop 1 was converted into artillery while at Camp MacArthur, Texas, he remained with the command, and also went to France with the Stevens Point boys.

It has been expected, in view of the fact that his record in the army has been highly commended, that he would be promoted.

BERNHARDT GOES THROUGH

Madame Sarah Bernhardt—"divine Sarah"—was a passenger on Soo line passenger train No. 1 when it passed through Stevens Point Sunday morning, occupying a stateroom. She was accompanied by her party and was on her way to Minneapolis and Winnipeg.

LOCAL SOLDIER HURT

Claude C. Simmons, who resided in Stevens Point for several months while in the employ of the Soo line as brakeman, was badly injured at Camp Funston, Kas., recently. He was drafted from Alton, Mo., where he registered, and was in the National Army. The accident happened when he was run over by an army truck, resulting in both legs being crushed and broken. He is in the base hospital at Fort Riley. Simmons came to Stevens Point with the Ed. A. Evans carnival company last summer and remained here after the week's engagement. He is 28 years of age and was recently married.

COAL PRICES REDUCED

A telegram just received from the office of the Fuel Administrator at Washington announces that a ten cent reduction of mine prices on soft coal became effective May 25th. The Fuel Administration has ordered that prices charged consumers shall be the prices in effect at the date of delivery. Therefore, coal which has been ordered but not delivered will be delivered at this reduced price.

Attention is again called to the rule that car load lots of coal must not be shipped direct to consumers for residence use without the written consent of the local Fuel Administrator. Persons who receive coal in violation of this rule are subject to a heavy penalty.

Hereafter full mine prices will be paid by the railway companies for soft coal. This regulation, with a more equal car distribution now being enforced, will, the Fuel Administrator advises, tend to reduce overhead expense at the mines and hold prices down.

Consumers are asked to do their part by placing their orders now for next winter's fuel. Give the Government a chance next winter by having your coal supply delivered this summer. A ton in the bin is worth more than ten in the mine—when you cannot get it delivered.

W. E. Fisher,
County Fuel Administrator.

ENJOYS WEEKLY LETTERS

In renewing her subscription to The Gazette, Mrs. E. J. LaHaie of Waupaca says "I surely do enjoy the fifty-two nice long letters I receive from you each year. I read every line, including the want ads. The letters from The Boys With the Colors are very interesting, as I know many of them." Mrs. LaHaie was formerly Miss Mayme Bonertz of this city.

BANQUET NEXT FRIDAY

The committee in charge of the High school alumni banquet, of which Mrs. Zella Rothman is chairman, is making every effort to make the affair a success, and it is expected that a good representation of the alumni will attend. The banquet will be held at the Parish House on Friday evening of next week, June 7, and will be followed by a dance, music for which will be furnished by Weber's orchestra, which will also render selections during the banquet. A short, but entertaining program is also being arranged to follow the banquet.

A large number of the alumni have already purchased their tickets, but those who have not been solicited may procure them at the Krembs' drug store.

PRESENT CLASS PLAY

The Seniors of the Stevens Point Normal scored a decided hit in the Shakespearean comedy, "A Midsummer Night's Dream," staged in the Normal auditorium Tuesday evening. The cast, which had been diligently practicing since Easter, was under the able coaching of Miss Mary Bronson. The players had reached the point of near-professionalism and the play went off without the hitches common to amateur productions. The lighting effects and costumes rented from a Chicago firm, and scenic effects were all in harmony with the play. The play was staged before a capacity house and the class will realize a sum aggregating in the neighborhood of \$100. This will be donated toward a memorial fund for purchasing a flag staff for the school, it is expected.

ATTEND MEMORIAL SERVICES

Sunday was Memorial Sunday all over the land, the day on which special services in honor of the nation's soldier and sailor dead were held in hundreds of churches. In Stevens Point the services took place at the Baptist church, where members of the Grand Army, Women's Relief Corps and Co. M, Wisconsin State Guards, assembled. The church was filled to capacity, and an inspirational address was delivered by the pastor, Rev. James Blake, who had for his subject, "The Lord Reigneth." Special music was rendered by Mrs. C. H. Vetter, soloist, and a male quartet. In the evening another interesting service was held, at which Prof. E. T. Smith delivered an address on the war. Nineteen members of the church are now in the nation's service, and at this service their names were called off and another member answered for each of the absent ones.

HIGH SCHOOL COMMENCEMENT

The annual commencement exercises of the Stevens Point High school will take place in the Normal auditorium in the evening of Thursday, June 6. The program is announced as follows:

High School Orchestra, Selected.
Invocation, Rev. R. J. McLandress.
Music, "A Mammy's Lullaby," Irene Bowers, Doris Shumway, Dorothy Vetter, Lenore Broten, Stella Joerns, Isabelle Weltman, Olga Wirth, Virginia Carley, Helen McLandress.
Commencement address, "New Times and New Problems," Professor M. V. O'Shea, University of Wisconsin.

Solo, Lullaby from "Jocelyn," Benjamin Godard, Luella Chapman Pierce, Violin obligato, Arthur Reijer, Lillian Anderson, accompanist.

Presentation of diplomas.
Benediction, Rev. G. M. Calhoun.

PROGRAM ARRANGED FOR MEMORIAL DAY

Memory of Soldier Dead to be Honored in Public Ceremonies on Thursday

In accordance with the custom of previous years, but which this year takes on added significance by reason of the fact that a new generation of American manhood is struggling for the same principles for which the men of '61 fought and bled, Memorial Day will be observed with appropriate public ceremonies in Stevens Point on Thursday.

W. A. Hayes of Milwaukee, general attorney for Wisconsin for the Soo line railroad, will deliver the address of the day. He will speak at the afternoon mass meeting to be held in the armory, where the program will be along the lines of those of past years. Mr. Hayes has appeared before Stevens Point audiences before, and is a gifted orator, amply qualified to handle a patriotic subject in a most competent manner.

The complete program for the day is as follows:

8 a. m.—Flagging of graves of veterans by Grand Army Post.

9 a. m.—Special service at the Church of the Intercession.

10 a. m.—Decoration of graves by Women's Relief Corps and flower girls.

1 p. m.—Service at monument on court house lawn by Women's Relief Corps.

1:30 p. m.—Parade of Grand Army, Women's Relief Corps and Co. M, headed by Weber's band, from court house to armory.

2 p. m.—Mass meeting at armory, John W. Brown, chairman.

Prayer, Rev. Theo. Ringoen.
Chorus, "Star Spangled Banner," led by Miss Lenore Buchanan, director of music, State Normal school, Stevens Point.

Vocal selection, Liberty Chorus, Arthur Beijer, director.

Reading, Lincoln's Gettysburg Address, Prof. E. T. Smith.

Chorus, Stevens Point State Normal Training school pupils under direction of Mrs. A. H. Sikes.

Address, W. A. Hayes, Milwaukee. Song and Chorus, pupils of public schools, Mrs. Leulla Chapman Pierce, musical director.

"America," audience led by Miss Lenore Buchanan.

Benediction, Rev. S. A. Elbert.
Taps, F. E. Noble.

SITUATION IS IMPROVING

The contagious disease situation in Stevens Point is improving, according to Dr. C. von Neupert, Sr., health officer. No new cases of small pox have been reported in the past week and only a few new cases of measles are being reported each day.

CHARGE OF ATLANTIC DIVISION

G. M. Dahl, Former Stevens Point Attorney, is Chairman of Territory Which Gives Millions

Gerhard M. Dahl, a former law partner of Geo. B. Nelson in this city but now associated with one of the big New York banks, was chairman of what was known as the Atlantic division in last week's Red Cross drive, his territory comprising the states of New York, except New York city, New Jersey and Connecticut. That the district is a wealthy one is evidenced by the fact that Mr. Dahl's committee raised a total of \$12,721,203. Sixty-one of the 219 chapters in the division, he said, had gone over the top, Buffalo exceeding its quota by more than a million dollars, and New Haven by \$78,000. The total for New York State, outside of New York city, is reported as \$6,439,233. That of New Jersey is \$3,707,025, and Connecticut, \$2,574,945.

In excess of \$25,000,000 was raised for Red Cross work in New York city.

ARNOTT CASHIER LEAVES

L. E. Scherke, cashier of the Arnott State bank for the last five years, has resigned and left Saturday for Rhineland to take a position with the Brown Brothers Land & Lumber Co. No successor has been elected, although several are being considered. Mrs. Scherke is in charge of the bank temporarily, until a new cashier can be engaged.

ARRESTED THREE TIMES

Fancher Saloonkeeper Charged With Three Different Offenses Last Week

August Stoltz, owner of a saloon near Fancher, has been having a busy and expensive time in court.

Stoltz was arrested on three different charges last week, as follows:

Reckless driving of an automobile. John Adams of Whiting, complaining witness. Found guilty in Justice G. I. Park's court and assessed \$10 and costs of \$25.64. Gave notice of appeal to circuit court.

Selling liquor to a minor over the age of 17. Anton Trzebiatowski, complainant. Found guilty by jury in county court, \$10 fine and costs of \$47.

Keeping saloon open on Sunday. Same complaining witness as in case No. 2. Pleading guilty. Fine of \$5 and costs of \$11.79.

Outside of that, life has been as usual for Mr. Stoltz.

EIGHTEEN AT COUNTY FARM

H. J. Kankrud and family drove over from Amherst Junction Saturday to attend the farewell reception to the soldier boys. Mr. Kankrud is superintendent of the county farm and now cares for eighteen indigent people. One of the inmates, who had been employed as butcher for 62 years, is in very poor health and is expected to pass away very soon.

RESIGNS MERRILL POSITION

Henry Schadewald, for the past year a member of the faculty of the Merrill High school, has returned to his home in this city, the school having closed for the term. Mr. Schadewald has been endeavoring to enlist in some branch of the military service, but defective vision has barred him thus far. He may later be able to enlist for special service. He has resigned his position at Merrill.

A QUICK RESPONSE

Marshfield News: Over the top in a day and a half is the remarkable record made by the city of Marshfield in the second Red Cross war fund campaign.

Marshfield's apportionment was \$6,000. The campaign for contributions opened Monday. By noon Tuesday returns to the amount of \$7,500 were reported with many of the solicitors still to hear from.

The two largest subscriptions were from the Roddis company and W. D. Connor, each giving \$500. Other subscriptions over \$100 were from W. H. Upham, \$300; C. E. Blodgett, \$300; Dr. K. W. Doege, \$250; R. L. Kraus, \$180; Felker Bros. company, \$150.

WOMAN'S STATEMENT

WILL HATE STEVENS POINT

"I hated cooking because whatever I ate gave me sour stomach and a bloated feeling. I drank hot water and olive oil by the gallon. Nothing helped until I tried simple buckwheat bark, glycerine, etc., as mixed in Adler's-Ka." Because it flushes the ENTIRE bowel tract completely Adler's-Ka relieves ANY CASE sour stomach, gas or constipation and prevents appendicitis. The INSTANT action is surprising. W. W. MEMORIAL DAY
BY THEODORESA GARRISON
Of the Vigilantes
A handful of old men walking down the street
In worn, tattered uniforms, their grey heads high;
A faded flag above them, one drum to lift their feet,
Faded men, O heart of mine, and see what passes by.
The crowd is vast, swarming, there's a wild band playing,
The streets are full of marching men, of tramping cavalry,
A host of young and strapping arm, they ride to greet a mate
Of their own kind.
The great souls, the great souls, that live eternally.
A handful of old men walking down the highways?
Nay, my heart, look up heroes that march among their peers;
The great, glad Companies have swung from Heaven's byways
As if to join their own again across the dusty years.
There are strong hands meeting, there are staunch hearts
greeting,
A crying of remembered names, of deeds that shall not die,
A handful of old men? Nay, my heart, look well again;
The spirit of America today is marching by!

GETS OUT OF HOSPITAL

Selden F. McCreedy, With American Engineers, Recovers from Mumps and Rejoins Unit

Private Selden F. McCreedy, Co. A, 23rd Engineers, American Expeditionary Forces, who was recently in an army hospital in France, nursing a case of mumps, is back with his unit and hard at work. The following letter, written to his mother, Mrs. C. H. McCreedy of this city, under date of April 29, indicates he has been up at the front, but is now stationed back of the lines, in construction work:

Am outside the barracks with a bunch around, but am going to try and make a letter out of this. The barber is cutting hair and there is a ball game out in front, and of course the usual line of talk is flowing back and forth. Some bunch. Have had a couple days of nice weather, so everyone is feeling good and taking it out on each other. A priest is conducting chapel in the next barracks and a few of the men are over there. We are having some quite decent weather now. It has rained very little in the last three days, that is for this country.

Haven't heard from Charlie (his brother) since leaving the hospital, and must write him again as I'm afraid that he didn't get my last letter.

The evenings are long now and we have plenty of time to write after supper, which is at 5:45. We usually get back here about 5 or 5:15, go down and take the once-a-day wash, come back and eat, then the rest of the day belongs to us to go to town or do anything we choose. We sure do eat now—doughnuts, pancakes, mashed potatoes, good coffee and puddings of all kinds. There is absolutely no kicking on the eats now and everyone is getting fat, even myself. We have first call at 5:30, but no one gets up until 5:50, when breakfast is served. Then we fall out for detail at 6:45 and are all split up, going to our different places of work in trucks.

This camp is back from the front quite a ways, so there is very little excitement except what we make ourselves. Our work is quite a distance from the firing line, so now we do not have to dodge the shells and there are no airplanes to watch. Miss the excitement but it is much safer. Don't worry as I couldn't feel better.

MICHIGAN MACHINE TENDER

L. J. Gurney, who had been employed for several weeks at the Stevens Point Paper & Pulp Co. mill at McDill, resigned his position there last Saturday and boarded last night's train for Otsego, Mich., where he will have charge of a machine in the Wolverine Paper Co. mill. Otsego is located only a short distance from Kalamazoo and 43 miles south of Grand Rapids. It has six large paper mills, two furniture factories and other big industries. Mr. Gurney's family will remain here for several months at least.

TWENTY MILES OF WATER

Mr. and Mrs. J. M. Marshall, Miss Jennie Chapman and Miss Bessie Wallace drove to Grand Rapids last Friday afternoon and attended the High school commencement exercises there that evening. They were accompanied on the return trip by Miss Iva Chapman who had been at her brother's home for several days. Shortly after leaving the Rapids, rain came down in torrents, completely covering the road with water and almost putting the Marshall car out of commission but they succeeded in covering the distance in a few minutes less than two hours. None of the party would care to repeat the experience.

K. C. OFFICERS

W. J. Nuss of Sheboygan was elected as state deputy of the Knights of Columbus at the convention held in Watertown last week. Other officers and delegates chosen at this time were: Secretary, Thomas A. Delaney, Green Bay; treasurer, J. J. Jameson, Shullsburg; adjutant, Frank Hughes, Chippewa Falls; warden, T. F. Curry, Portage; chaplain, Rev. Father Hanz, Beloit; delegates to represent the social membership at the supreme convention in Baltimore in August, T. F. Hayden, Milwaukee; James L. Nash, Grand Rapids; Michael Dugan, Chippewa Falls; W. H. Burke, Kenosha; to represent the insurance membership, W. D. McGuire, Baraboo, and Charles O'Neil, Madison.

SANBORN IS CANDIDATE

A. W. Sanborn of Ashland, one of the state's prominent attorneys and public men, is a candidate for congress to succeed Irvine L. Loomer of Superior, now United States senator. Mr. Sanborn's candidacy was formally launched at Ashland last Saturday at a gathering of his friends. Three other possible candidates, C. A. Lamoreaux, A. H. Wilkinson and John Chapple, are mentioned.

RULES ON FIREWORKS

Every dealer handling fireworks must secure a government license, obtained from the county clerk or other authorized government licensing officer stationed in or near his home town, according to new regulations. The license costs 25 cents, is good for the duration of the war and entitles the holder to make as many purchases as he pleases. When retailing at 10 cents or less per pack, the following marking over 10 cents may be sold only after purchaser's license: Chinese fire crackers, American fire crackers, roman candles, sparklers, rockets, novelties. All other goods retailing over 10 cents may be sold only to persons 16 years of age or over and the purchaser must obtain a fireworks license and show same whenever goods are bought. A complete record of sale must be kept of all sales of fireworks retailing over 10 cents. Record must show quantity and kind, name and license number of purchaser.

NEW FACES MADE IN FRANCE

In Holworthy Hall's new serial "The Man Nobody Knew" the main character had his face made over after fighting in France. For fear some might say this is impossible, the June American Magazine prints this extract from the testimony of physicians:

"When the wounded began arriving at the field hospitals," says one of these men, "I was asked by the French Government to come to France and demonstrate the methods of plastic surgery I had been using in America. In almost every instance of facial wounds we were able to make the injured man resemble the photograph we used as a model. The most interesting case I had was a man whose jaw had been shot away, practically from ear to ear.

"What we did was to lift a flap of skin from his shoulder and bind it to the fragments of bone left in his face. In three weeks, this skin had grown over the shattered bone. Then we cut the skin loose from the shoulder, allowing the man to lift his head.

"To make the chin, we took a piece from his shin bone, shaped it to the proper form, and grafted it into position. In a few months he looked very much as he had before he was wounded. That, of course, was what we wanted in his case. If he had wanted to have the lower part of his face changed in contour, we could have done it.

"We replace noses in two ways. Sometimes we buy a finger from some other man. Or the patient may give one of his own fingers. Then we graft the hard knuckle of this finger into the place where the nose was. When this part of the operation is completed, we carve nostrils for breathing, and the work is done.

"We can even provide a beard if we think the man will look better that way, or if he particularly wants one. To do this, we cut the flap of skin from under a man's arm where there are the necessary hair follicles, and graft this to the chin."

FUNERAL HELD FRIDAY

Funeral services for the late Mrs. Theresa Springer were held at St. Stephen's church at 9 o'clock Friday morning, Rev. W. J. Rice officiating. The body was interred in the parish cemetery. Frank J. Springer of Milwaukee, a son of the deceased, and wife were in attendance at the last rites. The pall bearers were George Warner, H. McGill, August Mollentine, Levi Booth, Edward Williams and John Demmerly. Mrs. Springer was born at Mischele, Dorf, Austria, 87 years ago the 20th of last March. Surviving members of her family include a son and two daughters, Frank Springer of Milwaukee, Mrs. John Pauckert of McDill and Mrs. Rose Resler, who lives at the old home in Austria. Among the other relatives who came from a distance was Mrs. Helen Lessing of Fond du Lac.

TEACHING THE WINNEBAGOES

Mrs. L. H. Fowler, Formerly of Amherst, is Now Instructor in Nebraska Indian School

Mr. and Mrs. Bartel Johnson and the lady's aunt, Mrs. Nettie Fowler, drove over from Amherst last Saturday afternoon and evening, Mr. Johnson being a member of the Amherst band. Mrs. Fowler is enjoying a month's vacation from her duties as matron of an Indian parochial school at Winnebago, Neb., in which service she has been employed for the past fifteen years.

The Nebraska school has an enrollment of 69 children belonging to the Winnebago tribe, ranging in age from 5 to 13 years. It is not under government control but receives support wholly from individual contributions and the authorities are often at their wits' ends to secure sufficient funds. Most of the Winnebagoes were given their final allotment several years ago and like typical children of the forest, quickly squandered the money in the purchase of unnecessary things. They now barely eke out a living and at times are in actual want.

With all the drawbacks that Mrs. Fowler has to contend with, she enjoys the work and feels that her labors are not in vain.

Building-up for the Spring Attack at the front is a good deal like putting the body in condition for an invasion of the germs of grip, pneumonia or "Spring fever" here at home.

At this time of the year most people suffer from a condition often called Spring Fever. They feel tired, worn out, before the day is half thru. They may have frequent headaches and sometimes "pimples" or pale skin and white lips. The reason for this is that during the wintertime, shut up within doors, eating too much meat and too little green vegetables, one heaps fuel into the system which is not burned up and the clinkers remain to poison the system—a clogging up of the circulation—with inactive liver and kidneys. Time to put your house in order.

For an invigorating tonic which will clarify the blood, put new life in the body, sparkle to the eyes, and a wholesome skin, nothing does so well as a glyceric herb extract made from Golden Seal root, Blood and Stone root, Oregon grape root and Wild Cherry bark. This can be had in convenient, ready-to-use tablet form at all drug stores, sixty cents, and has been sold for the past fifty years as Dr. Pierce's Golden Medical Discovery. By reason of the nerves feeding on the blood, when the blood is pure the nerves feel the effect, and neuralgia or other nerve pains disappear because such pain is the cry of the starved nerves for food. When suffering from backache, frequent or scanty urine, rheumatic pains here or there, or that constant tired feeling, the simple way to overcome these disorders is merely to obtain Dr. Pierce's Anuric from your druggist. In tablets, sixty cents.

FARMER MEETS DEATH

Frank H. Thompson, Town of Belmont, Killed By Accidental Discharge of Shotgun

A shotgun accidentally discharged caused the instantaneous death of Frank H. Thompson, aged 35, a town of Belmont farmer, at 7 o'clock Monday morning.

Mr. Thompson, while his wife was preparing breakfast, went out into a shed to get the shotgun, intending to shoot some crows that were seen in a cornfield. The gun was behind a barrel and the supposition is that in pulling it out with the muzzle toward him the discharge struck him in the left side. His body was found by his wife, who went out to the shed after he had failed to answer her call. The deceased is survived by his wife and one small child. A brother also lives in Belmont.

The funeral was held from the residence at 2 o'clock this afternoon.

BUYS LOCAL PROPERTY

Dr. J. M. Bischoff, who is at present special agent of the department of justice, with headquarters in New York, has purchased from Mrs. Emma Roy a tract of land on the South Side, fronting on Church and Depot streets. The land will be improved for use in the poster advertising business, and space not occupied by that will be for rent. The extent of the improvements has not yet been decided upon.

DONATES CALF TO RED CROSS

Mrs. Frances A. Branch, 206 Portage street, has donated a handsome Jersey calf to the Portage County Red Cross chapter, to be disposed of to the best advantage. The sire of the calf is one of the best animals in the V. P. Atwell herd and its mother is an excellent milker and nearly full blood. It is expected that the calf will be auctioned off, and it should bring in a substantial sum for the Red Cross.

MOVE TO LA CROSSE

Mr. and Mrs. P. Curran have shipped their household goods to their new home at La Crosse and will leave this week for that place, where Mr. Curran will act as agent for the Green Bay & Western R. R. Mrs. Curran was recently at La Crosse, endeavoring to procure a suitable residence, but was unable to do so, and therefore, the household goods will be stored temporarily and Mrs. Curran will visit with relatives at Winona until a house is available.

Mrs. Curran also spent a few days with her son, Leroy, at Ft. Leavenworth, Kan., last week, before his departure for Camp Merritt, N. J. Mr. Curran had also intended going to Ft. Leavenworth, but was detained by business, and now hopes to be able to visit his son at the New Jersey continent before the latter leaves for France.

MARY ELIZABETH OTTRICH

Mary Elizabeth Ottrich, twelve years old daughter of Mr. and Mrs. T. M. Ottrich, died at the family home at 10 o'clock Sunday afternoon following an illness with measles and complications. Mr. and Mrs. Ottrich accompanied the body to the old family home at 11 a.m. Monday for burial.

MOVE IN TEN DAYS

The new Soo line depot buildings will probably not be occupied until about June 9, according to information given out at division headquarters today. The painters are still at work on the exterior of the building, and by the end of this week, however, the interior will be ready to turn over to the company. It will take several days to clean up, however, and the buildings will not be occupied until the equipment is all in and everything else in readiness.

TWO JOIN SERVICE

Morris Gallikson and Myron Bidwell went to Chicago last Wednesday, where they took preparatory examinations for two branches in the navy. The former took a technical one for the radio corps at the Great Lakes training station. Monday of this week he drove over in a car to Wausau, where he successfully passed the physical examination. Myron Bidwell, who has been attending the Normal until quite recently, was examined in Chicago last Wednesday, preparatory to entering the officers' training school situated at Municipal Pier. This course is to train young men for commissioned officers in the navy. Both men expect to leave the city for their respective training stations sometime next week.

USE YELLOW PAINT

Persons passing the residence of C. W. Anderson, 112 Jefferson street, this morning, were surprised to see the premises liberally "decorated" with yellow paint. The trunks of some shade trees along the parking in front of the house were smeared with the paint, as was also the door of the Anderson garage. On the sidewalk in front, also in yellow paint, the device "25c" appeared in several places, in large figures. The mysterious work was done during the dark of night and is supposed to have been the work of persons who felt Mr. Anderson had not given as liberally as he should to the Red Cross War Fund.

WORK FOR RED CROSS

Although Stevens Point has not yet adopted the Kenosha plan of patriotic giving, employees of the Soo line roundhouse have adopted a system patterned after the plan. The crew, which is in charge of Emil Zimmer, foreman, is donating to the Red Cross the equivalent of one hour's pay every two weeks. It was a purely voluntary step, and will be continued indefinitely. Each of the employees is on it and the monthly contribution will aggregate about \$30. The same men have shown their patriotism in other ways, notably in their subscriptions for Liberty Bonds.

THE CIRCUIT COURT

In the matter of the voluntary assignment of the Southwick-Sellers Land Co. Order allowing assignees further time and until July 25, 1918, in which to file their final report.

Simon Stenerson vs. John Thatcher, Jr., et al. Judgment for plaintiff quieting title.

Siegmund Green vs. John Kopinski et al. Judgment for plaintiff for \$304.34 damages and costs.

J. R. Morgan vs. Peter Ruck et al. defendant; A. W. Richter, garnishee. Case to be submitted on brief.

Eleanora Wiza vs. Bernard Wiza. This is a divorce case, in which considerable property is involved. It was called for trial Tuesday morning, and is being hard fought.

COUNTY BACKS DRIVE

Contributions to Red Cross War Fund More Than Double Quota, Estimate Shows

Portage county came across for the Red Cross during the War Fund drive and ended Monday. Although returns are incomplete, George B. Nelson, chairman for the drive, estimates the total will reach \$12,000. The county's quota was but \$5,500, and it was therefore more than doubled.

Among the large contributors were the following: Whiting-Plover Paper Co., \$500; Mr. and Mrs. William F. Parker, E. J. Pfeiffer and John F. Sims, \$100 each. There are quite a number of \$50 contributions.

The returns are coming in slowly, but it is hoped to have a complete report by the end of the week.

TAKES BEMPE AWAY

A. E. Boren, county clerk and secretary of the board of exemption, left this morning for Fort Sheridan, Ill., accompanying Louis Bempke, champion army deserter, who will be turned over to the military authorities there. Bempke has a record of three desertions from the National Army to his credit for the last few months, and is believed to be mentally unbalanced.

CITY DOUBLES QUOTA

Stevens Point more than doubled its minimum quota for the Third Liberty Bond campaign, and is entitled to a blue star for its honor flag. The honor flag is now in the hands of Chairman J. R. Pfeiffer, and he is in a quandary as to what to do with it as the city has no flag pole. The city's minimum quota was \$133,000. A total of a little over \$313,000 is credited to it. Figures for the balance of the county are being compiled, but are not yet complete.

PIFFNER IS NAMED

District Attorney J. R. Piffner has been appointed as a member of a nationwide organization of lawyers, perfected by a special committee for war service of the American Bar association, to serve the government in a professional capacity when needed. He will be representative in Portage county of A. Mitchell Palmer, federal custodian of enemy alien property, and of Attorney General Gregory. The appointment was made by W. C. Quarles of Milwaukee, acting for the federal authorities.

NORMAL SCHOOL NEWS

Notes of Interest Gathered by The Gazette's Special Reporter

The Loyola club enjoyed a wiener and marshmallow roast at the water works park last Thursday evening.

A special Red Cross program was held during general exercises Thursday morning, when several students spoke in the interest of the War Fund drive. The girls' double quartet also rendered a few vocal numbers.

Prof. and Mrs. O. W. Neale and Pres. and Mrs. John F. Sims were the hosts to the Rural graduates Monday evening. The party was held in the Normal gym from 8 to 1. After a short program, refreshments were served.

Miss Mae Pinkerton of Park Falls is the guest of her sister, Harriet Pinkerton, a member of the senior class, who took part in the senior class play "A Midsummer Night's Dream" Tuesday evening. The former came down to witness the production.

Prof. J. E. Delzell reported for Cumberland, Iowa, this afternoon where he will address the High school graduating class of that city on Friday. Before returning to Stevens Point he will visit at several points in Nebraska and will be absent at least 10 days.

The postponed girls' track and field meet will be held on Tuesday June 4. Medals will be presented to the winning athletes, while an individual trophy will be presented to the girl scoring the highest number of points. A picnic will be enjoyed by the girls during the noon hour.

Pres. John F. Sims will give a commencement address at Mauston to the graduating class of the High school this evening. Thursday evening he will be similarly engaged at Abbotsford. Pres. Sims has been busy of late addressing graduating classes. Thursday of last week he was at Colby and Friday at Spooner.

The annual regents' examination of students was held Monday morning of this week. Duncan McGregor of Platteville conducted the interview. Other regents were scheduled to appear, but were unable to come. D. Erskine Jones of Chicago, father of Miss Mildred E. Jones, assistant physical instructor for women, spent the earlier part of the week in the city as the latter's guest.

Pres. and Mrs. John F. Sims tendered the Senior class their annual reception on Saturday evening. In the receiving line were Pres. and Mrs. John F. Sims, Regent Duncan McGregor of Platteville and Prof. and Mrs. Frank N. Spindler. Students of the school who are members of Co. M were in attendance in the gym, giving the reception a military touch. The latter part of the evening was spent in dancing. Light refreshments of sandwiches, cake and coffee were served.

the purpose of breeding dogs, \$10.00, which sum shall cover all dogs held and owned by the owner of such kennel during the year for which said license is issued.

Whenever said license is not paid on or before the first day of July in each year, the chief of police shall collect the same, or some other person appointed by the city mayor for that purpose, and an additional fee of 25 cents will be charged for each dog as fees for the chief of police for collecting the same.

NOTICE TO PAY DOG LICENSE

Dog taxes for 1918 are due for collection June 1st and must be paid to the city treasurer.

Every person residing or being an inhabitant of the city of Stevens Point owning or having in his possession any dog of any species or sex, shall obtain a license for the keeping of the same and shall pay therefore to the city treasurer or chief of police as hereinafter prescribed the following sums:

For every male dog the sum of \$1.00.

For every female dog the sum of \$3.00.

For every kennel or place used for

BIG OIL MEN HERE

J. E. Meloy and Dr. R. D. Rood of Bartlesville, Oklahoma, spent Monday and part of yesterday in this city visiting Dr. Rood's old home and greeting numerous friends in town. Both are prominent oil operators in the southwestern fields and have met with deserved success. "Bob" is a native Stevens Point, the second son of the late Dr. and Mrs. Galen Rood, while "Dud" was also a resident of our city for several years, coming here in 1898 and engaging in the real estate business.

The Mission billiard hall, 106 Strong's avenue, conducted for the last couple of years by William and Emil Seidler under the firm name of Seidler Brothers, was closed last week, following the filing of a petition in bankruptcy. Unsecured claims amounting to \$1,730 and claims of \$580 secured by a chattel mortgage are scheduled as the liabilities. The assets consist of fixtures and stock.

The steel bridge over the Big Plover river at Jordan, a single span structure, was wrecked last Wednesday afternoon when it was struck by the huge motor truck of the Copps wholesale grocers, of Stevens Point.

The truck was being driven to Rosholt with a load of groceries for delivery there, and was in charge of Frank Stanke and Edward Wojak. The former at the wheel, as the west approach to the bridge Stanke turned out to let another car pass. He then steered toward the center of the road, but was not able to prevent the big machine striking the lower arch of the bridge. The force of the collision was so great that the structure slid off the abutment and crashed into the river, where it lay a complete wreck, broken and twisted out of shape.

The truck left the road and fell over onto its side in the ditch, several feet below. Neither of the occupants of the cab was hurt, although both were in danger of being crushed to death. The car was removed on Thursday, and is again in running order.

The wrecked bridge is on a state road and is on a heavily traveled route. As a result of the accident, traffic was diverted from it to the Plover Hills route and by way of a bridge a few miles above the river from Jordan.

The Jordan bridge is believed to be beyond repair and will probably be replaced with a concrete structure.

Remember the Buried Talent

There is a story in the Bible about a certain King who was going away, and so gave to each of his servants certain sums of money to be used for his benefit in his absence. To one servant he gave ten talents and that servant used them generously in his lord's interest. And to another five talents, and he also used them. But one servant received only one talent; and he said: "I can't do anything with only one talent; and he went and buried it." History has remembered that servant with scorn.

Are you a one-talent man or woman?

If you are, do not make the mistake of that bad servant.

Because you can give only five dollars or one dollar, do not make the mistake of saying: "It is too small to count; I will not give it."

For a dollar given to the Red Cross may save a soldier's life. A dollar may carry a hundred cups of cold water to a hundred pairs of fevered lips.

A dollar may pay for the gasoline that takes an ambulance to a soldier who might otherwise perish.

No gift is small in work like this. No single dollar can be despised. Think of that when you give your dollar. Think of it not as a dollar but as representing a soldier's comfort, even perhaps a soldier's life.

RENEWED TESTIMONY
No one in Stevens Point who suffers backache, headaches, or distressing urinary ills can afford to ignore this Stevens Point man's twice-told story. It is confirmed testimony that no Stevens Point resident can doubt.
Charles H. Curtis, 711 Church St., says: "I suffered from pain in the small of my back and could hardly get around. It was all I could do to get out of bed and dress myself in the morning. I hardly knew what ailed me but finally concluded that my kidneys were weak. I got a box of Doan's Kidney Pills from Taylor Bros., Drug Store and they acted promptly in relieving me."
OVER FOUR YEARS LATER Mr. Curtis said: "I have taken Doan's Kidney Pills off and on since giving my former endorsement and have always found that they do good work."
Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Curtis had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

SOCIAL HAPPENINGS of INTEREST

A May dancing party took place at the Masene temple Friday evening, with about forty couples in attendance. Special decorations for the event included flowers, plants and the national colors. Weber's orchestra played the dance program. Lunch was served at midnight.

Miss Ida Noel, a former teacher at Junction City and who has attended the local Normal, was married at Merrill last week to Angus Bertrand. The young people are both residents of Merrill, where they will continue to make their home, the groom being an employee of the Emerich Mercantile Co.

George Bennett of Plainfield was married to Miss Verna Weisbrod of Weyauwega Sunday afternoon at 2 o'clock by Rev. James Blake at his residence in this city. They brought with them by auto Mr. and Mrs. W. A. Weisbrod of Amherst for their attendants. The double ring ceremony was used. Mrs. Jennie Bennett, mother of the groom, was here from Plainfield. The newly married couple will make their home at Weyauwega, where Mr. Bennett is employed as an auto salesman. The bridegroom was brought up in Plainfield and graduated from the high school there. It will be remembered that his brother, Russell, lost his life on the Tuscania and was buried in Scotland.

Members of two pioneer families in Pine Grove township were united in marriage last Saturday afternoon when at 1 o'clock Rev. G. S. Joslin of Plainfield pronounced the solemn words which bound together James L. Doolittle, only son of Mr. and Mrs. Frank Doolittle, and Miss Besse Bovee, only daughter of Mr. and Mrs. John W. Bovee. There were no attendants. The important event took place at the Bovee home and after congratulations and good wishes had been extended a company of twelve relatives partook of a wedding dinner. Later in the day Mr. and Mrs. Doolittle drove to their future home in western Pine Grove.

Both young people are natives of that township and are highly regarded by all who know them. The bride is a graduate of the Plainfield high school class of '15. She is especially proficient in music and during the past few years has taught this art in the neighborhood. They start on life's journey together with the blessings of scores of friends.

Miss Edith Stewart, daughter of Mr. and Mrs. S. B. Stewart, 216 Madison street, this city, was married at Lacon, Ill., on May 9 to Edward Shimp of Steuben, Ill. The following account of the wedding was published in The Lacon Home Journal of May 16:

Last Thursday morning at nine o'clock at the Catholic parsonage in this city, occurred the marriage of Miss Edith Stewart, of Stevens Point, Wis., to Edward Shimp, of Steuben, Father Hawley officiating. Those who witnessed the ceremony were Mr. and Mrs. Geo. Wiley and daughter, Miss Florence, of Sparland; Mrs. Will VanPatten, of Steuben, and Mrs. George Shimp, of Chillicothe, the latter being the mother of the groom, and Mrs. Wiley and Mrs. Van Patten, his sister.

After the ceremony the bridal party took the noon train for a short wedding trip to Peoria. Had it not been such a busy time of the year on the farm a visit to Mrs. Shimp's parents in Wisconsin would have been taken, but which will be enjoyed later. After their return from Peoria they will go immediately to housekeeping on the Shimp homestead in Steuben. Mr. and Mrs. George Shimp, Sr., are already occupying a home on the edge of Chillicothe.

The bride was becomingly gowned in a traveling suit of mist shade with hat and shoes to harmonize.

This wedding was the culmination of a pretty romance which began several years ago when the Shimp family were living in Wisconsin. Miss Edith Stewart was then the winsome school teacher of the neighborhood, boarding at the home of Mrs. Will VanPatten. She and Edward Shimp soon became lovers and after the Shimp family moved back to Illinois, Miss Stewart was hired to teach the Senachwine school in Steuben and was the successful teacher there for a year. Mrs. Shimp is a cultured young woman and is also well versed in the art of homemaking. Mr. Shimp is the youngest child of Mr. and Mrs. George Shimp, an industrious young man and promises to be a successful farmer. The Journal offers hearty congratulations.

Burton Ambrose, son of Conductor John Ambrose, formerly of this city, now of Owen, was married at Wausau Tuesday evening to Miss Gladys V. Fryatt of Wausau. The ceremony was performed by Rev. D. J. Williams at the residence of the bride's parents, Mr. and Mrs. F. W. Fryatt. The groom has nearly always made his home in Stevens Point and is a graduate of the local Normal. Prior to last March he was principal of the public school at Marathon City. He left there to take employment in the DuPont powder works at Barksdale, near Ashland. His bride was a teacher in the Marathon City school during his term as principal.

The annual election of officers of the Stevens Point Rotary club will take place at the regular luncheon to be held in the public library Monday noon, June 3.

Miss Mary Tovey of Stockton very pleasantly entertained fifty young people Tuesday afternoon and evening at a miscellaneous shower in honor of Miss Grace Breitenstein, who is to be a June bride. Music and dancing were the features of the evening.

after which a bountiful lunch was served. The bride-to-be received many beautiful gifts, including cut glass and hand painted china.

C. S. Orthman entertained at a seven o'clock dinner at his home on Plover street Tuesday evening in honor of J. A. Cashin and Harold Baebenth. Covers were laid for twenty.

Marriage licenses have been issued to or applied for by the following: Phil Mikowski, Carson, and Frances Samozky, Chicago; Anton Wroblewski, Plover, and Mayme Urowski, Stevens Point; Maurice L. Anderson, Nelsonville, and Mary Abrahamson, Nelsonville; Peter Klisi, Carson, and Tessa Lodzinski, Linwood.

Our West Eau Claire correspondent sends the pleasing news that Miss Clara Pitt of Belmont and Wm. Brey of Milladore were married last week. Both young people are well known throughout the county, the bride being a former resident of Eau Claire, where her parents, Mr. and Mrs. Thos. J. Pitt, lived on a farm a few miles north of Junction City. Will is a graduate of the Stevens Point business college and for the past year has been manager of the Farmers' Cooperative Produce Co. warehouse at Milladore. They have the hearty good wishes of all who know them.

TRIO OF DESERTERS

Three Men Summoned For Military Service By Local Board Fail to Report

The names of three men notified to be in readiness to go to Camp Grant Sunday morning as members of Portage county's contingent of 100 have been put down as slackers by the local exemption board. They are:

George Koback, Polonia, Route 1. Alex Elbrant, Milwaukee.

John Deptalo, Stevens Point. Koback, in his questionnaire, claimed to be a married man. At that time his address was Wakefield, Mich., but when he came here for physical examination in January he changed this to Polonia. Now it is alleged he took unto himself another man's wife and child and named them as dependents in order to escape military service.

Andrew F. Olson, a notary public of Wakefield, Mich., in a letter to the local board under date of January 10, said: "Helen Koback, the person claimed as dependent of the registrant, has authorized me to say that she was not married to the registrant in May, 1917; neither are they married up to the present time, but that her name is Helen Rompalski, wife of Charles Rompalski of Stevens Point or some place in that locality. Her maiden name was Helen Felix, and her mother, Frances Stroik, whose first husband was a man by the name of Felix, lives on a farm near Polonia. Helen Koback, otherwise Mrs. Charles Rompalski, claims that her husband mistreated her and the boy, and that he drove her out on May 27, and that shortly after she joined George Koback and that they have been living together here at Wakefield since the 11th of June."

Rompalski, the woman's husband, is so anxious to have Koback drafted into the army that he has made numerous trips to the city to get the board of exemption to hurry. He said he was willing to take his wife back if Koback were sent to the army.

Alex Elbrant is a resident of Stevens Point, but his last address was Milwaukee. The local board has tried without success to locate him. Mail sent to him has been returned unclaimed. Deptalo, a native of Russia, of Polish blood, disappeared from the city some time ago. Last fall he was appointed recruiting officer for northern Wisconsin and northern Michigan for the Polish army, with the rank of lieutenant. He was instrumental in enlisting scores of young men for service. When the local board reached his number in the draft, negotiations were taken up with Washington in the hope that he might be released from the draft in order to permit him to continue his work for the Polish army. Word finally came back that this was impossible, and it was also stated that in view of the circumstances Deptalo had been given his discharge from the Polish army by the Polish military commission, New York. It is reported that he has in some way enlisted as a private in the Polish army and is already on his way to France. The members of the exemption board, who had done their best to make arrangements to have him continue in recruiting work, in which he had been so successful, make no attempt to conceal their disgust over his action in ignoring his liability for service in the American army.

CUTWORMS NUMEROUS DAMAGE THREATENED

Federal Department of Agriculture Tells How to Combat the Insect Pest

Cutworms are reported as unusually abundant in Portage county this year, and unless prompt and effective measures are taken will cause serious damage to growing crops.

The United States department of agriculture has recognized the danger involved, and is informing farmers and gardeners, through official publications, as to the best means of combating the pest. The Gazette a few weeks ago published a formula for poison bran mash to be used in exterminating the insects, and herewith a recommended instruction coming direct from the department of agriculture at Washington:

"When cutworms are abundant on a field, a use of poisoned bait is recommended. This may be prepared as follows: Mix 50 pounds of wheat bran, 2 pounds of Paris green or crude arsenic, such as the by-product from copper smelters, and 6 finely chopped oranges or lemons. Mix to consistency of stiff dough by adding low grade molasses, adding water also when necessary. Middlings or alfalfa meal may be successfully substituted for bran. Distribute this bait over the infested field in small lumps; sprinkle it sparingly around each hill. In fields that are infested, distribute the bait as soon as the corn begins to appear above the ground. Promptly remove the injured hills. During the summer spring months cutworms feed at night at night and burrow into the soil during the day, so that the bait usually will be more effective if applied during the late afternoon or early evening.

Cutworms often migrate to cultivated fields from adjoining grasslands. In such cases protect the crops by running a narrow band of poisoned bait around the edge of the field or along the side nearest the source of infestation."

Curworms are the young of a number of species of brown fuzzy moths. About midsummer the full-grown worms burrow into the ground to change to pupae, which soon transforms to moths. The moths lay their eggs on lower leaves of grass. The young worms feed on the grass during the fall and in winter burrow into the ground for protection. In the spring the worms come out of the ground and attack almost any young plants they find at the surface. They feed at night, cutting off the stems close above the roots, and hide away in loose earth or under rubbish during the day. Later in the season they climb the stalks at night and feed on the leaves.

One of the simplest ways of protecting young plants, such as tomatoes, against cutworms, is to surround the roots with a strip of pasteboard, rolled into the form of a cylinder. The paper should be pressed into the loose earth sufficiently deep to reach beyond the depth at which the worms burrow, and should project above the ground to prevent the worms going over the top.

AMHERST JUNCTION

Mr. and Mrs. Henjum returned Saturday after a ten day visit with their son Edward in Weyauwega.
Most of our Amherst Junction citizens autoed to Stevens Point Saturday evening to give our soldier boys a send off for Camp Grant, Ill.

Henry Hoffman's family has been under quarantine the past couple of weeks for diphtheria. Mrs. Hoffman was very low with the disease for several days, but is improving at present.

The dance given in Rickman's hall last Thursday evening was a grand success. One hundred and seventy-five tickets were sold. Gibson's harp orchestra of Appleton furnished the music.

H. N. Nelson, our former banker, received a very honorable appointment from the state of Wisconsin last week as state inspector of banks. His appointment is a fine recognition of his banking ability. Amherst Junction feels proud that we are able to send out such a citizen as this state has only ten of these appointments. Henry makes his headquarters in Milwaukee and will spend Saturday and Sunday at his home here with his family.

Our school closed Thursday and in the evening a very fine play was given by the pupils of the school and the graduating class. The following list graduated from the eighth grade: Willis Nelson, Stanley Dulek, Jerome Nelson, Anthony Kirshing and Carol Docka. Rev. G. M. Calhoun of Stevens Point delivered the address to the young graduates. He advised them just now at their youthful age to be very careful not to grasp the rolling waters too speedily and they could not avoid all their future misadventures, but more than a few would be passed over if careful lives would be led. He also complimented them on their past studies, which placed them upon the stage that evening with white carnations and red, white and blue ribbon pinned upon them as their class colors. Mrs. Dr. Miller, a soloist, and Miss Hart, a pianist, of Iowa, pleased the audience with their pleasant music. The other part of the program was of a high order of excellence as well as those mentioned.

The Senior and Junior class play, "The American Flag," given at the opera house Friday, drew forth a packed house and the exciting war drama was a big success in every way. Babe McMillan, a brave young American, was ably taken by Vilas Potton, while Gen. Wolff of the German forces, by Cameron Blair, and Karl Steinberg, his German private, made one think they were indeed in the heart of the war zone. Ignatz Schell, an honest Israelite, by Dennis Rothermel, kept the audience in a continual roar of laughter and was indeed well taken. Judge Oliver, American consul in France, by Carl Potton, and Major Marvin, an American officer, by Ray Wilson, June Oliver, an American girl in France, was ably taken by Nellie Scobie and showed the true American spirit in war time. Dixie McMillan, a true patriot and a very brave and daring little Red Cross nurse, was depicted in an excellent manner by Jennie Potter. Rozika, the Hungarian Gypsy, was well rendered by Vita Smith. It was a gripping war drama of true patriotism and the hearty applause of the audience showed their appreciation. The pupils and teachers are deserving of much credit for the excellent production. Saturday night they played at Hancock and a large and appreciative audience greeted them there.

Miss Lula Pratt visited her parents here Friday evening, returning to Plainfield Saturday to be present at the baccalaureate sermon on Sunday. Miss Lula is among the graduates from the Plainfield High school this year.

Messrs. Mott and Wood of Grand Rapids, with their wives, spent Saturday in our village in the interest of the cheese factory which they have in operation here. A meeting of all interested was held in M. W. A. hall Saturday afternoon.

Bear in mind registration day, June 5th. All young men having become 21 years old since last registration day must register at this time. The boys from the town of Pine Grove will register at the Portage County bank in the village of Almond.

Several took the county examination conducted by Principal Fred Gustin here for diplomas the past week. Among those from away were Mary Rice, Nora Smith, Irene Swantek, Gladys and Cecil Bender, Bernard Bird and Verita Pratt.

Rev. G. M. Calhoun of Stevens Point delivered a very able patriotic address from the band stand last Wednesday evening. Mr. Calhoun held the attention of the entire crowd, and made some very fitting remarks helpful to the Red Cross drive carried on at that time. We hope it will be our good pleasure to have the gentleman with us again.

The streets of our village on Saturday had every appearance of children's day, when the parents from here and surrounding school districts brought their children to be measured and weighed. Eighty-two were given this examination under the direction

of Dr. Rock, assisted by Mesdames Wm. Krake, Bert Potter, Miles Cornwell and M. G. Wood.

KNOWLTON

Walter Guenther transacted business at Stevens Point last week.

Mrs. J. Hibbard has returned from an extended visit with her daughter, Mrs. Fred Blanchfield at Grand Rapids.

Mrs. A. Feit and son Fred left last week for Scottville, Michigan, in response to a telegram announcing the death of Mrs. Feit's sister, Miss Tillie Janesek.

Mr. and Mrs. John Swatoski returned to their home at Milwaukee last week after a short visit here with relatives.

Mr. and Mrs. Emil Weitzniker were here from Mosinee to spend a few days with the former's parents, Mr. and Mrs. R. Weitzniker, and sister, Mrs. A. Miller.

Miss Ruby Gegay closed a very successful term of school in district No. 3, Friday, May 17th, and on Monday entertained at a picnic which was largely attended. Miss Gegay returned to her home in Milwaukee.

A program for Memorial day has been prepared with a great deal of interest by the Knowlton Red Cross Society and Miss Eva Gegay. The Liberty loan honor flag will be dedicated and placed on the northeast corner of the L. Guenther premises.

Mrs. J. Kunts of Hammond, Ind., died at the home of her parents, Mr. and Mrs. J. Czek, May 17th, after a lingering illness. The funeral was held from St. Frances church the following Monday morning, Rev. Robelski of Mosinee officiating. Mrs. G. G. Knoller of Dancy sang.

RURAL CARRIERS MEETING

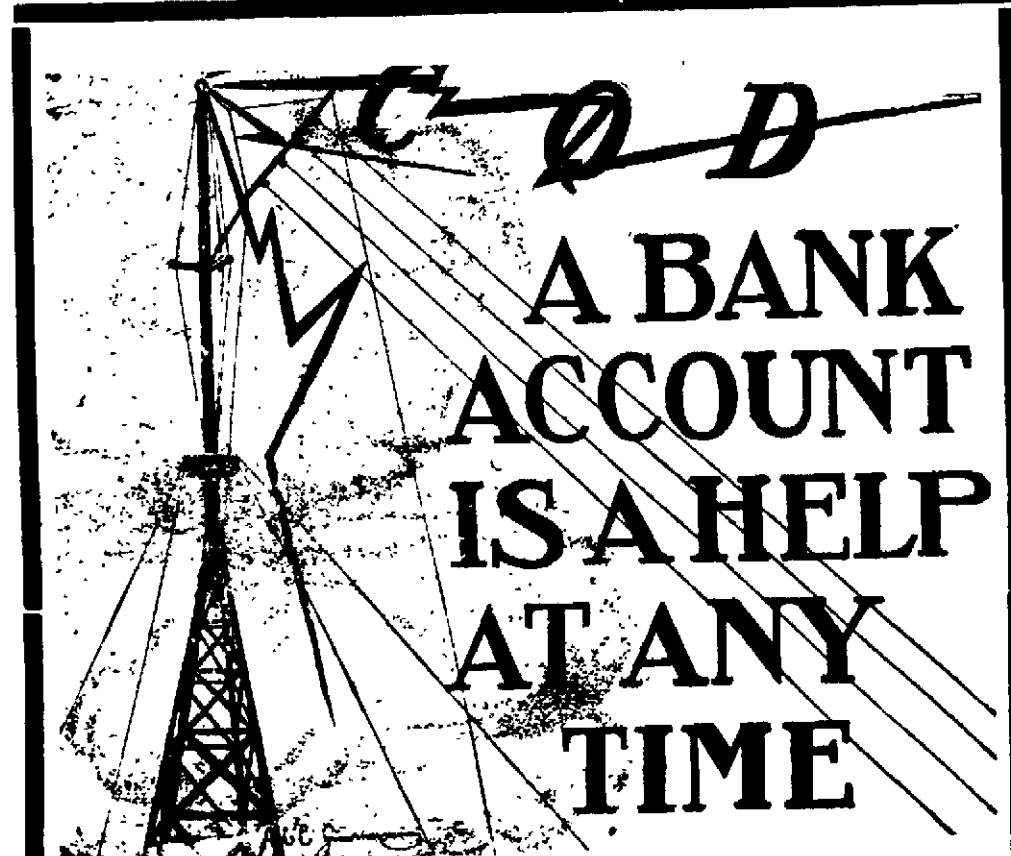

The annual meeting of the Portage County Rural Mail Carriers' association will be held in Stevens Point tomorrow, Memorial Day. A morning session will start at 10 o'clock, followed by luncheon at the Arlington Hotel. An afternoon session, beginning at 2 o'clock, will conclude the meeting. Officers will be elected and a delegate chosen to represent the association at the state meeting, to be held in Wausau in connection with the state meeting of city letter carriers and post-office clerks, on July 4 and 5.

MEETS HORRIBLE DEATH

Soo Line Brakeman, Resident of Stevens Point, Cut In Two Under Train at Owen

Emil G. Storm, aged 24, Soo line freight brakeman making his headquarters in this city, met a horrible death at Owen at 10:40 o'clock last Saturday morning, when his body was cut in two near the shoulder beneath the wheels of a north-bound train No. 2421, in charge of Conductor W. J. Chapman and Engineer George Ellsworth. The train had stopped at Owen and was doing some switching in the yards there, preparing to continue to Superior. Storm was busy with his work and it was not until his dead body was found on the track by Conductor Chapman that anyone knew of the accident that befell him.

It is presumed that Storm fell beneath the moving cars while attempting to crawl over the couplings between two of them. One or two cars passed over him.

The body was taken to Marshfield, where the young man's parents and other members of his family reside. The funeral was held there Tuesday afternoon, Rev. G. M. Calhoun, pastor of St. Paul's M. E. church of this city, officiated.

Mrs. Storm, wife of the dead brakeman, was at the family home, 221 Illinois avenue, when news of her husband's death was broken to her. Her father and mother, who live near Loyal, came here Saturday afternoon to see Mrs. Storm, who went to Marshfield Sunday night. Mr. and Mrs. Storm had been married about a year. Mr. Storm entered the service of the Soo line December 5, 1916.

WAR GARDENERS PARADE

Armed with rakes, hoes and other garden utensils, several hundred school children, enlisted in the war garden movement, paraded last Thursday afternoon. The parade was in charge of Prof. H. R. Brantzel of the Normal school, who is conducting the school annual First National bank garden contest. The children assembled at the high school at 4 o'clock and marched up to the business section and then to the Strand theater, where some garden slides and movie comedies were thrown on the screen for their benefit. The show was put on free by the management of the Strand, and the theater was packed.

A PATRIOTIC NEIGHBORHOOD

An interesting fact concerning Stevens Point's contingent in the army is that an astonishingly large number comes from the vicinity immediately surrounding the corner of Division and Clark streets. What is still more remarkable is the fact that this contingent almost without exception is in the commissioned officer class. Within a radius of 300 feet of Regent Geo. B. Nelson's home there have gone forth thirteen men to the volunteer army. These men are Drs. Cashion, Park, Wyatt, Copps and Bird, and Lieutenants Park, Hyer, Collins and Little. The other men, Clifford, Congdon, Eagleburger and Playman, are in line for promotion, Congdon being now in an officers' training camp. If the whole country were as well represented there would be perhaps 15 million men, nearly all officers.

SAW BELGIAN VETERANS

Dr. Myron H. Moen, who returned home Sunday from Chicago, where he spent a week, witnessed on Saturday the parade in honor of some 350 Belgian soldiers, veterans of the great war, who were the city's guests. The Belgians had taken part in the early battles of the war, when the German hordes swept through the little kingdom, and later fought side by side with the Russians in the east. After the Russians dropped out, they looked for some means of getting out of the country, and finally made their way across Siberia and to the United States. They are moving east, to return to the western front to again take up the burden of defeating the Huns. They were given a wonderful demonstration in Chicago and the parade, in which they participated, was an inspiring sight.

IS BANK EXAMINER

H. N. Nelson, Cashier of Amherst Junction Bank, Gets State Appointment

Henry N. Nelson, cashier of Amherst Junction bank, has been appointed by the state to examine the First National bank of Stevens Point, which was opened last week. His appointment as bank examiner is a tribute to his ability as a banker. O. A. Nelson, a brother of H. N. Nelson and who was formerly employed in the First National bank of Stevens Point, has taken the cashiership of the security bank. O. A. Nelson, after leaving this city a few years ago, was in the general merchandise business at Amherst Junction, but recently sold out.

ANOTHER VOLUNTEER

A Portage county soldier boy whose name did not appear in the list of several hundred published in last week's Gazette is Rery Gurney, formerly of McGill, who enlisted several weeks ago at Flint, Mich., and was sent from there to Camp Logan, Houston, Texas. He is a member of Co. E, 108th Engineers, and when he last wrote to his relatives here the regiment was about to depart for an eastern port and thence go to France. It is probable that he is close to the battle front by this time.

MUST SAVE MORE WHEAT

Food Administrator Hoover Calls Up on People to Give Up Use of Cereal Entirely

Total production, so far as wheat and wheat products is concerned, is asked of all Americans whose circumstances permit in an appeal just issued by Herbert C. Hoover, federal food administrator. Mr. Hoover's message, which also discusses other phases of the food situation, is as follows: "The confidence of the United States food administration that the people of the country would respond enthusiastically and wholeheartedly upon presentation of the facts to any necessary requests for reduction in consumption of food has been fully justified. We have demonstrated our ability not only to think together but to act together. This response of the people is the reason for the present appeal.

"Our work is not yet complete. In spite of the encouraging results of our efforts, in spite of the fact that our exports of food stuffs are constantly increasing and are approaching the minimum requirements abroad, the need for renewed devotion and effort is pressing. While all of the requirements of the food administration should be constantly observed, there are certain matters which I desire to stress at this time.

"In the case of meat and meat products, the necessities for shipment abroad are very great. Whereas the average consumption has been reduced to an average of about one and one-quarter pounds per person per week, we are today enjoying an average of about three and one-quarter pounds per person per week. This diversion is unquestionable, an understanding of these facts will justify our request that the consumption of all meats, including poultry, be nearly as possible, be reduced to two pounds per week per person over four years of age.

"In the case of sugar, we are embarrassed by the necessity of using ships for carrying our soldiers and feeling the Allies and in consequence we must use sugar with great economy. We must emphasize the importance of canning and preserving on a large scale among our people this summer and our available sugar must be conserved for this purpose.

"But the situation with regard to wheat is the most serious in the food supply of the allied world. If we are to satisfy the minimum wheat requirements of our armies and the Allies and the suffering millions in the allied countries our consumption of wheat in the United States until the next harvest must be reduced to approximately one-third of normal. It is inconceivable that we should fail in this crisis. For each of us who can personally contribute to the relief of human suffering it is a privilege not a sacrifice. All elements of our population cannot bear this burden equally; those engaged in physical labor need a larger bread ration than those in sedentary occupations. Because of

the constant daily employment of women and the lack of home baking facilities many households in large urban centers require a food ration already prepared, such as the bakers' standard victory bread loaf. Furthermore, we must constantly safeguard the special requirements of children and invalids.

"To meet the situation abroad and to prevent serious suffering at home, it is imperative that all those whose circumstances permit shall abstain from wheat and wheat products in any form until the next harvest. It is realized and deeply appreciated that many organizations and some communities have already agreed to follow this plan."

CAN KILL POULTRY

Restrictions against the killing of poultry, in effect earlier in the year, are no longer in force, according to J. M. Pfiffer, federal food administrator for Portage county. Mr. Pfiffer's restriction on the killing of poultry restriction on the killing of poultry of any kind.

NEWTON H. INGERSOLL

Minnesota Newspaperman, Native of Plover, Dies After Short Illness

Last Week

Newton H. Ingersoll, native of Plover and well known newspaperman, died at his home in Brainerd, Minn., on Monday evening of last week following an illness of but three days with heart trouble. He was taken sick suddenly and failed steadily.

Mr. Ingersoll was born at Plover on October 25, 1859, and spent his childhood there. He learned the printer's trade in the office of the Plover Times, owned by his father, and in the Stevens Point Journal office. Later he conducted a paper at Columbus, Wis. Subsequently he went to Brainerd, where he became part owner of the Brainerd Dispatch, a connection he continued to his death, a period of over 35 years. He was postmaster at Brainerd 14 years and was a prominent Mason, Shriner, Elk and Woodman. In the civic life of Brainerd he was a tireless worker.

Mr. Ingersoll was married at Plover on June 13, 1881, to Miss Harriet H. Hall. They had two children, one a daughter who died in infancy and the other a son, Dr. H. G. Ingersoll, practicing in Brainerd.

Besides his wife and son, he leaves two sisters, Mrs. Peter Schumacher of McGregor, Ia., and Mrs. Walter J. Smith of Brainerd. His mother died two years ago and his father, a civil war veteran, eight or ten years ago. The funeral was held Thursday afternoon from the First Congregational church at Brainerd, under Masonic auspices. He was laid to rest beside his parents.

WAS A STAR ATHLETE

F. J. Natwick, well known in Stevens Point through his connection with the Natwick Electric Co., which conducts electric shops in this city and Grand Rapids, and who recently left the latter city to enter the tank service in the army, was in Chicago recently while enroute to Columbus Barracks, Ohio. Commenting on his visit, the Chicago Tribune said: F. J. Natwick, one of the best hurdlers who ever wore the colors of the University of Wisconsin, left yesterday for Columbus Barracks to join the tank service. Natwick competed for Badgers in 1907 and 1908. In his first year he was beaten by inches in the high hurdles in the conference by Smithson, who tied the world's record. In the following year he won the high and low conference hurdles. He was selected for the American Olympic team in 1908 and afterward was assistant track coach at Wisconsin.

MAY GET FINAL PAPERS

In Wisconsin as well as in other states there are thousands of residents, born in Germany or Austria-Hungary, who had taken out "first papers" some of them many years ago, but had not completed the naturalization process when the declaration of war blocked the process, leaving them in an awkward predicament, for they were amenable to classification as citizens of an enemy country.

ORDAINED A PRIEST

Peter M. Zei Receives Honors at Green Bay Saturday—Says First Mass Tomorrow

Rev. Peter M. Zei, a native and childhood resident of Stevens Point, was one of four young men ordained as priests of the Catholic church by Bishop Paul P. Rhode of the Green Bay diocese at St. Francis Xavier Cathedral, Green Bay, last Saturday morning.

The young priest is the son of Mr. and Mrs. Peter Zei, now of Chicago. The family lived in Stevens Point until Peter, Jr., was five or six years of age. At Chicago the young man attended a parochial school and then began his studies for the priesthood. He attended two Wisconsin schools, Mt. Calvary, Fond du Lac county, and St. Francis seminary, near Milwaukee. He completed his studies at St. Francis.

Father Zei will say his first mass Thursday morning at the church at St. John, Calumet county, of which his uncle, Rev. M. Ruppold, also a former Stevens Point, is pastor.

Mrs. Mary Warshak and Nicholas Zei of this city are aunt and uncle of Father Zei.

MOVING TO MELLE

Mrs. W. J. Gavin has packed her household goods for shipment to Mellen and she and her youngest daughter, Miss Esther, will leave for that city tomorrow or Friday to join Mr. Gavin, who is Soo line passenger conductor between Mellen and Bessemer. Miss Ann Gavin will remain for several weeks and take commercial work at the business college. The departure of this esteemed family is a source of deep regret but their hundreds of friends in the old home town wish them the full measure of happiness in the north country.

CAMPAIGN TO SAVE LIVES

The Wisconsin Anti-Tuberculosis association is working out a quota of children's lives to be saved this year in each county, based on its average number of deaths in a five year period, beginning with 1911. Portage county's quota of lives to be saved is 18 and the average number of deaths per year is placed at 104. The winning and measuring of children under five years of age was the first step in the campaign.

RAIL RATES INCREASED

To meet wage increases, just announced and higher costs of fuel and other supplies, the Great Northern, Chicago and North Western, Milwaukee and St. Paul, and Wisconsin Central, have increased their freight rates in the United States 25 percent and passenger fares increased to 3 cents a mile. The new freight charges become effective June 25 and the passenger increase will go into effect June 10. All old intrastate as well as interstate rates are wiped out by the new order.

TRACK SQUAD LEAVES

The track athletes representing the Stevens Point Normal will leave for Mellen Saturday at 10 o'clock to begin their training for the state championship.

The law provides that sugar shall be distributed to the people of the state in proportion to their population. The law also provides that the sugar shall be distributed to the people of the state in proportion to their population.

WHICH HOUSE IS YOURS?

Don't imagine you are any more immune from the danger of fire than I am.

You are not.

A fire is just as apt to break out in your house TONIGHT as it is in mine.

A falling stroke, overturned lamp, carelessly discarded cigarette, or a stove pipe—any of these might be the cause of a fire that would leave your home a mass of ruin and ashes.

You can never foretell when fire will attack your home, but you can provide adequate protection for putting the fire out.

A modern pressure water supply system will give you this protection—will give you in addition the comforts and conveniences in the home you have so often wished for, will assure your livestock pure and fresh running water in the water trough—will give you dozens of advantages which you don't enjoy now and SAVE YOU MONEY in doing it.

You doubt it? Come in and be shown. We have an up-to-date water supply system for farm houses on exhibition at our store. See how we can save you money and talk to us about it. We'll be glad to furnish you with a plan and give you the best of service.

Don't let a fire ruin your home. Get a water supply system today. You can save lots of money by doing so.

ACCIDENT WAS FATAL

M. Cahill, Struck by Automobile in Milwaukee, Dies Sunday Morning —Funeral at Waukesha

A telephone message from Milwaukee last Sunday morning brought the expected but none the less sad message that Michael Cahill passed away shortly after 9 o'clock. It will be remembered that Mr. Cahill, whose home was at Waukesha and who was a frequent guest of his daughter, Mrs. J. W. Dunagan in this city, was struck by an automobile in Milwaukee some ten days before, rendering him unconscious. He remained in this condition except for one or two brief intervals, and being able to take but little if any nourishment, there was no chance of saving his life.

Mr. Cahill was 80 years of age on May 1st. A large portion of his life was spent at Waukesha, where he conducted a blacksmith shop for many years. Although long past the allotted three score and ten, he always remained young in spirit and took a deep interest in general affairs. Since his daughter's marriage and removal to this city he visited her one or more times each year and formed an extensive acquaintance among our people.

The accident which resulted in his death was a very peculiar one. Mr. Cahill and a son-in-law, Jesse A. Smith, had just returned from a base ball game, the gentlemen alighting from the Smith car and Mr. Cahill was standing on the sidewalk when another automobile shot across the curbing and knocked him down, his head striking the cement and fracturing his skull. He did not appear to be badly hurt at the time but that evening lapsed into unconsciousness.

Funeral services were held at the Waukesha Catholic church Tuesday morning, with interment beside his wife in the parish cemetery. Mrs. Dunagan had been with him during his illness and Mr. Dunagan went to Waukesha Monday afternoon.

Other surviving members of his family are Dr. Frank J. Cahill of St. Joseph, Mo., Jos. J. Cahill of Brockton, Mass., M. Cahill of Waukesha, Mrs. T. W. Brahaney of Washington, D. C., Mrs. J. A. Smith, Mrs. C. C. Russell, W. H. and Warren K. Cahill of Milwaukee.

The Milwaukee Free Press of Monday said: An inquest will be held to determine responsibility for the death of Michael Cahill, 80 years old, a prominent resident of Waukesha, who died yesterday in Milwaukee hospital from a fractured skull received in an auto accident on May 16. The auto, which struck the aged man at Grand avenue and Seventh street, was owned by Dr. W. F. Becker, nerve specialist, who was in the car, but not driving.

WITH DR. PASTERNAK

Dr. W. H. Wilson on Monday began his professional association with Dr. L. P. Pasternack of this city, in the practice of dentistry, succeeding Dr. Edwin B. Nalborski, who left Sunday for Camp Grant, Ill. Dr. Wilson will be at Plainfield on Monday and Tuesday of each week in charge of the branch office there, and will be at the local office the balance of each week. Dr. Nalborski is expected to soon take his examination for a commission in the dental corps.

SOME SHOES

Do you wear a No. 15 shoe? A trifle large maybe; but many pairs of this size are manufactured and the F. Zolander Co. now have on display in their windows two regular army shoes of the No. 15 EE variety. They are made of chrome tan cowhide by the Sheboygan Shoe Co. The soles are what is known as the Goodyear welt and the shoes are made with outside counter-pockets. The net cost of building these monsters is \$6.00. It is said that a resident of Knowlton township, Marathon county, finds this size of footwear to be a perfect fit.

Optimistic Thought.
Resentment is temporary, but forgiveness is eternal.

DANCY

Edward Duranso is now employed at the Northland stock farm. Mrs. Matt Ryan of Stevens Point is enjoying a visit with Mrs. T. W. North. Dr. E. T. Butler and wife of Mosinee were Sunday guests at the G. G. Knoller home.

G. G. Knoller has recently installed a new 250 gallon Bowser gasoline tank. The purchase was made through Geo. W. Allen of Stevens Point. Knowlton will observe Memorial day, with exercises and speaking in Feit's hall, and at this time they also expect to dedicate their Liberty Loan flag. Mrs. Knoller will assist in the program with vocal selections.

Ole Engbretonson delivered two Holstein grade Angus heifers to Stevens Point Monday from the Northland stock farm, for which Mr. North received \$75.00. Farmers should learn that good stock is worth while.

The heavy rains the past few days have put the old Wisconsin at flood stage. The rural carriers have been unable to deliver their mail out of Dancy P. O. over all of their route on account of water being over the road.

Bergen township has filled its quota in the Red Cross drive and the chairman is now hoping for a good surplus. This section of country is never found lacking or slacking in anything that comes along.

Rev. T. W. North sold two of his Duroc Jersey hogs last week that weighed nine hundred and fifteen pounds. The larger one weighed five hundred and ninety-five pounds. Several of his young pigs are sold for late delivery.

There was a dancing party in Topham's hall last Friday evening for Jerry Breitenstein of Knowlton, who left for Camp Grant Tuesday morning of this week. Jerry was one of our best thought of young men and has hosts of friends who wish him a safe return.

The many parishioners of St. Francis Xavier church, Knowlton, were indeed very sorry when Rev. J. J. Robieski announced during mass last Sunday that it was to be his last time at Knowlton. A resident pastor will have charge of that parish. Father Robieski took care of Knowlton as a mission from Mosinee for the past three years and during that time greatly endeared himself to his people. He is an able and a brilliant orator and all feel that his days for the smaller missions are short. He speaks fluently several languages and in his patriotic activities has become widely known among all the people, regardless of religious affiliation.

PINE GROVE

Ernie Borden and wife of Plainfield Sundayed at the E. O. Beggs home.

Mr. and Mrs. Clarence Morgan of Blaine called on Wm. Roseberry and family Sunday.

Ed. Casler had the misfortune of losing four head of cattle by lightning last Friday.

Mrs. James Beggs of Almond has returned home after a pleasant week's visit with her sister, Mrs. E. O. Beggs.

T. King has rented his farm and taken a position with the American Co-operative Association in Kentucky.

Raymond and Leonard Dorscheid of Buena Vista visited their cousin, Clayton Rice, Saturday and Sunday. They spent most of the time in fishing and report a good catch.

EAST EAU PLEINE

Ella Martin spent Sunday at her home at Stevens Point.

Mr. and Mrs. Thomas Altenburg spent Saturday at Stevens Point.

Miss Jennie Altenburg returned to her home at Ashley last Wednesday.

Miss Clay Cauley of Custer spent a day the past week at the home of John Plateau.

Henry Berndt went to Stevens Point Saturday to join the boys who left for Camp Grant, Ill.

Mr. and Mrs. A. L. Voyer of Junction City spent a few hours at the home of Ward Hobbs Sunday.

Mr. and Mrs. Soule and Mr. and Mrs. Arthur Tic of Almond were Sunday guests at the home of Ward Hobbs.

Fern and Earl Altenburg, Rose Plateau and Vivian Altenburg autoed to Stevens Point Saturday evening to see the soldier boys off.

Cards were received here recently announcing the marriage of Edith Stewart and Edward Shimp, which took place at Sparland, Ill. The bride taught here for three years before going to Illinois to teach the past year. She had hosts of friends here who will join in extending felicitations.

NOTICE OF SALE

The old church property of St. Mary's congregation at Ellis, in the town of Sharon, Portage county, Wisconsin, will be sold June 8th, 1918, at 3 o'clock in the afternoon of said day on the premises, to the highest bidder. The property consists of about five and one-half acres of land, together with the church and house located thereon. m29w2

TO REGISTER WOMEN

Girls and Women residing in the United States who are subjects of the Imperial German government, must register as alien enemies during the 10-day period beginning Monday, June 17, and ending Wednesday, June 26, under new federal regulations. All females over the age of 14, who are unnaturalized natives, citizens, denizens or subjects of Germany must register. Women who are subjects of the Austro-Hungarian empire are not required to register at this time. The registration of German enemy alien men took place in February.

PUBLIC LIBRARY NOTES

Thursday, Decoration day, the library will be closed.

The teachers of both the city and county are again reminded to return before the close of school all books charged to them on their teachers card.

The following interesting new books have been added to the different classes this week:

- Gerard—Face to Face With Kaiserism.
- Chitwood—Immediate Causes of the War.
- Hay—Secrets of the Submarine.
- Mackey—The Housekeeper's Apple Book.
- Rent collection:
- Jordan—The Wings of Youth.
- Oppenheim—The Pawns Count.
- Watson—Mystery of the Downs.

HE'S A HARD SLEEPER

William Rodomski, one of the men chosen to go to Camp Grant Sunday as a member of Portage county's contingent of 100, overslept and missed the special train. Rodomski, whose home is in Grant, was working at Alta, Ia., when he received his notification to report. He arrived here Friday night. Saturday afternoon, when the roll call of selectmen was taken at the court house, he obtained permission from the exemption board to take the afternoon and evening off in order to permit him to go to Grand Rapids for a farewell visit with a certain young lady. It happened that the young lady, instead of waiting for him to come there, came to this city by automobile, and they spent the evening together. She departed for home at about 10:30 and he, tired out from lack of sleep, went to a hotel to rest. When he awoke it was daylight and his watch showed 6 o'clock. Hastening out of the hotel he sought out Sheriff Kubisiak and County Clerk Bourn, members of the exemption board, who were dreaming of sunshine and flowers after a hard night's work getting the selectmen started to camp. Rodomski had tears in his eyes when he explained his predicament to them, and he was greatly relieved when he was told he could leave Sunday afternoon for camp. The board had missed him at the depot, but were so sure his intentions were good that they didn't take the trouble to send a substitute.

WORKING THEM HARD

Boys of Battery E. In France, Must Drill From Early Morning to Late at Night

That the boys of Battery E, 120th Field Artillery, somewhere in France, are getting intensive training—and then some—is evidenced by the fact that they are being drilled from 6 in the morning till 9:30 at night.

Leslie Bourn, son of County Clerk and Mrs. A. E. Bourn, is one of their number. In a letter to his mother under date of May 6, he said, in part: Received your letter written April the 8th and have a little spare time so will answer. It is not very often that we have any time, so will make good use of it. It is raining outside so it makes it disagreeable for us.

We work from 6 in the morning to 9:30 at night. But it is for our own good, so we cannot kick. We have to wear steel helmets that were issued to us now instead of hats. They seem kind of heavy, but will protect us from shells.

We can only write on one side so if the censor wants to cut anything out, he won't spoil any other part of the letter.

The farming country looks good around here so far.

I have not seen any of the other fellows from home, except those in our outfit. They, most likely, are in the infantry camp. I have not been

able to visit any of the French cities, but hope to in the near future.

The price of everything around the camp is certainly high. A piece of candy costs you about 25 cents and at home you could buy it for five cents. I have not seen James Burns. He must be at the front now.

ANNOUNCE PRIZE WINNERS

Prize winners in the Stockton Calf club contest were announced last week, following an inspection made by County Agent Coyner and Walter Welch, the judges, to the homes of the ten contestants. The calves were scored and the care given them was also taken into consideration. The race for first place was so close that the judges found it impossible to choose between the records of Marian Cate and Leonard O'Keefe, who were thus left to draw for first and

second. Third place was also a tie between Charles Finnessy and Henry Hannach. The prize for first place was a pair of overalls or its equivalent in value, presented by A. J. Kubisiak; second prize was a jack knife, given by Charles Breitenstein, and third prize a bushel of early Ohio potatoes, donated by M. O'Keefe.

SHOW EDUCATIONAL FILMS

Educational and industrial films, centering about the Remington typewriter, were shown at the Strand last Tuesday evening and Wednesday afternoon. Due to the length of the regular program at the theater Tuesday evening, but one extra picture was shown. It was decided by M. B. Wooten of the commercial department of the High school and S. K. Nelson of the business college to run the pictures on Wednesday afternoon. J. E. Russell of Oshkosh, district manager of the Remington Typewriter Company, lectured in the afternoon. Students of both schools attended.

DR. PARK GETS CALL

Stevens Point Dentist, Lieutenant In Reserve Corps, Summoned to Active Duty

Dr. Lawrence W. Park, son of Judge and Mrs. B. B. Park and who was commissioned a first lieutenant in the dental reserve corps last August 13, on Monday evening received his call from the adjutant general's office at Washington, to active service. He was instructed to report as soon as possible to the commanding officer at Camp Sherman, Chillicothe, Ohio. He is planning to leave for that place Thursday night or Friday.

Dr. Park is the eldest son of Judge and Mrs. Park. He was graduated from the Stevens Point High school

Lieut. Lawrence W. Park

in 1915 and from Northwestern University college of dentistry, Chicago, in 1914. Since completing his professional education, he has been practicing his profession in Stevens Point, having offices in the First National bank building. He took the examination for a commission in the dental reserve corps at Jefferson Barracks, Mo., last June 1.

While in High school Dr. Park was prominent in all forms of athletics, and at Northwestern was one of the stars of the University basketball team. He captained the aggregation one season and was chosen by many critics for a position on the "Western" honorary five.

Judge and Mrs. Park have two sons who are lieutenants in the army. Their second son, Lyman, was commissioned second lieutenant of Troop 1, 1st Wisconsin Cavalry, in the spring of 1917. He is now in France with Battery B, 120th Field Artillery.

GIVE SCHOOL O. K.

H. L. Terry and H. N. Goldard, state high school inspectors, made an official visit to the High school last Monday and made a very flattering verbal report to Supt. Snyder. The Madison gentlemen had been here on similar missions many times in the past but they reported present conditions at the local institution as the best yet. The only criticism they had to offer was because of the lack of room, which problem is admitted to be a serious one.

AUTO STRIKES BUGGY

E. H. Rossier, owner of the Springfield Roller Mills, had a fortunate escape from injury at about 10 o'clock last Saturday night. Mr. Rossier had come to the city to witness the celebration for the drafted men and was on his way home with his horse and buggy. When he was a short distance this side of the Church street crossing of the Son line, an automobile driven by Charles Cram approached from Depot street and headed in the same direction as Mr. Rossier's rig. In making the short turn the driver of the car did not see the rig in time to prevent a collision, and the auto struck a rear wheel of the buggy. The car was stopped quickly and as a result the buggy wheel was held in place long enough for Mr. Rossier to get out before he was thrown out. There was no other damage and no one was hurt. However, had the machine been going at higher speed, the results might have been different.

WAS LONG AN INVALID

Mrs. J. A. Ritchey, In Poor Health Many Years, Is Relieved From Her Sufferings

Mrs. Joseph A. Ritchey, a resident of Stevens Point since the latter '70's but who had been an invalid for the past six or seven years, died at her home, 112 N. Division street, at 3:30 o'clock Tuesday morning. Her illness was brought on by a stroke of paralysis, which affected her general health and for some time she received treatment at a Madison sanitarium. Of late years her condition showed some improvement but she required the almost constant care of her husband, who has been truly devoted and paid her every attention. For the past six weeks she was confined to her bed.

Charlotte M. Holland was born in Lincolnshire, England, 77 years ago. She emigrated to America at the age of 26 and was married a few months later to Mr. Ritchey, the ceremony taking place at Wild Rose, Waushara county. During the following four years they lived at Randolph and Wautoma, then moving to Stevens Point.

The deceased lady is survived by her husband, one brother, a half-brother and half-sister. The latter three are Alfred Holland of Ellsworth, Wis., John Holland of Fond du Lac and Mrs. Jos. Wollenschlager of Minneapolis.

Mr. and Mrs. Ritchey had no children of their own but they acted as foster parents to two girls, both of whom are now married, one living at Baraboo and the other in Alabama.

WEST EAU PLEINE

Chas. Swanson was a Stevens Point caller one day last week.

Gust Borth spent Sunday at Dancy at the home of Chas. Peppenhimer. Mr. and Mrs. Chas. Swanson and sons Ed and Henry drove to the East Side Monday.

A patriotic program will be given this week Wednesday afternoon in the Berg district school. Teacher Miss C. Albans.

School in the Pitt District closed last week with a picnic last Saturday in Chas. Swanson's grove. Miss Clara Prell was the teacher.

The recent storm and rains did damage here and there, but the worst experience was on the farm of Chas. Swanson, where a silo just put up last year was blown down and badly damaged, also the north wing of his barn was partly blown in.

Word has been received of the marriage of Miss Clara Pitt of Fremont and Wm. Brey of Milladore which took place one day last week. Mrs. Brey was the only daughter of Mr. and Mrs. Tom Pitt and most of her life was spent in this neighborhood, having also taught several years in the district school. Mr. Brey has charge of the Farmers Co-operative Store at Milladore. He is also well known here. Their many friends extend to them the heartiest congratulations and a long and happy journey through life.

MUCH SMOKE, NO FIRE

The fire truck responded to a call Tuesday morning at 10:35 at Judge B. B. Park's home on Clark street. The furnace chimney had become plugged, thus forcing back the smoke into the cellar. The truck company turned chimney "sweeps" for a short time, cleaning the chimney of a quantity of soot and allowing the smoke to pass more freely up the chimney.

Notice of Registration

The President of the United States
has issued a Proclamation fixing

JUNE 5

As the date for registering young men who have
reached the age of 21 during the past year, under the
following rules and regulations:

All male persons, either citizens of the United States or residing in the several States or in the District of Columbia, who have, since the 5th day of June, 1917, and on and before the 5th day of June, 1918, attained their twenty-first birthday are required to register in accordance with the above law and the regulations prescribed thereunder: Provided, however, That the following persons are hereby exempted from registration: Officers and enlisted men of the Regular Army, the Navy, the Marine Corps, and the National Guard and Naval Militia while in the service of the United States, and officers in the Officers' Reserve Corps and enlisted men in the Enlisted Reserve Corps while in active service.

Any person who, on account of sickness, will be unable to present himself for registration may apply on or before the day of registration at the office of any Local Board for instructions as to how he may register by agent.

Any person who expects to be absent on the day designated for registration from the jurisdiction of the board in which he permanently resides may register by mail, but his registration card must reach the Local Board having jurisdiction of the area wherein he permanently resides by the day herein named for registration. Any such person should apply as soon as practicable at the office of a Local Board for instructions as to how he may register by mail.

Any person who has no permanent residence must register at the place designated for registration by the Local Board having jurisdiction of the area wherein he may be on the day herein named for registration.

Any person who, on account of absence at sea, or on account of absence without the territorial limits of the United States, may be unable to comply with the regulations pertaining to absentees, shall, within five days after reaching the first United States port, register with his proper Local Board or as provided in the regulations for other absentees.

And any person who shall wilfully fail or refuse to present himself for registration or to submit thereto as herein provided, shall be guilty of a misdemeanor and shall, upon conviction in the district court of the United States having jurisdiction thereof, be punished by imprisonment for not more than one year, and shall thereupon be duly registered: Provided, That in the call of the docket precedence shall be given, in courts trying the same, to the trial of criminal proceedings under this act.

Any person subject to registration in Portage County can register
on June 5, 1918, from 7:00 A. M. to 9:00 P. M. at any of the following places:

City of Stevens Point at the Court House.
